FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>1. There is obvious improvement with regard to inclusion of more recent citations in the paper.</p> <p>2. I regret to read the response given which is "That is all can be improved" to my previous FINAL comment. Nonetheless, for the sake of improvement in the true spirit of education, I have included my comments with question cues and suggestions for further improvement of this paper.</p>
