FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>It seems that the author/s has/have amended the manuscript accordingly. However, there are still two things that need to be corrected which are considered as minor corrections.</p> <ol style="list-style-type: none"> 1. Should do another proof reading for the abstract. The same grammatical errors are still found. For example: <ul style="list-style-type: none"> - Aims: "The study is focused on..." should be "The study focused on ..." 2. Still need to make minor amendments on the first paragraph of the Conclusion: - -- <ul style="list-style-type: none"> - "The results suggest more of the respondents" should be "The results suggest more than 50% of the respondents...." - "Furthermore, more of the males and females..." should be "Furthermore, more than 50% of the males and females....".
