

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

Journal Name:	<a href="#">Advances in Research</a>
Manuscript Number:	Ms_AIR_38839
Title of the Manuscript:	Influence of integrated nutrient management on nutrient uptake by cotton and soybean in intercropping system
Type of Article:	Original Research Article

**PART 2:**

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
This requires revision. Authors are stating other's result without quoting them. Several statements in discussion part are still written vaguely. I am not sure if they know how the microbial degradation process is carried out by the microorganisms.	Corrected as per the reviewers comment. Thank you for your valuable suggestion.
