

SDI Review Form 1.6

Journal Name:	Advances in Research
Manuscript Number:	Ms_AIR_39643
Title of the Manuscript:	Variance Estimation in absence and presence of non-response
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<ol style="list-style-type: none"> 1. Line # 11 Remove "S" from the letter of word "means". 2. Line # 16 Put a full stop at the end of sentence. 3. Line # 17 Usman SHAHZAD (2017) [5] need correction as: Shahzad et al (2017) [5] 4. In the whole manuscript: In some citations, year is provided and in some places not. So please follow the journal pattern for citation. 5. Line # 23 The name spellings of "Hurtiz" are not correct on many places in the whole manuscript. 6. Line # 24-25 Sentence need modification 7. Line # 173 & 174 Table names are uncorrect. 8. Discussion and Conclusion Section: Authors construct 7 tables numerically in the whole manuscript. However, only Table 1 and 2 discussed. There is a need to discuss or interpret the remaining Tables 4 to 7. 9. Reference Section: Reference [5] line 195 - 196 need correction as: Shahzad, U & Hanif, M & Koyuncu, Nursel & Luengo, A.V.G.. (2017). Estimation of population variance using quartiles in absence and presence of non-response. Gazi University Journal of Science. 30. 205-218. 10. Some latest references related to "absence and presence of non-response" should be included such as: Shahzad, U., Hanif, M., Koyuncu, N., & Luengo, A. V. G. Estimation of population mean under systematic random sampling in absence and presence non-response. <i>İstatistikçiler Dergisi: İstatistik &Aktüerya</i>, 2017, 1, 23-39. 	Noted
Optional/General comments
