

SDI Review Form 1.6

Journal Name:	Advances in Research
Manuscript Number:	Ms_AIR_41981
Title of the Manuscript:	Evaluation of Chemical Composition and Antioxidant Potential of Essential Oil from Citrus reticulata Fruit Peels
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>The paper is written in according to the journal requirements. The purpose of the paper is accomplished. The results are well presented and interpreted. The results could be used as scientific support for other research. But the paper could require some corrections such as: The title reveals only Essential Oil but the analyses were made on Citrus <i>reticulata</i> peel also. Voucher no. for vegetal material must be written. In Conclusion ...From the above discussion it is concluded that <i>Citrus reticulata</i> peel oil is a good source of different phytochemicals having medicinal properties and various dietary nutrients such as fibers, sugars and proteins. There are some misspellings in the text. The Latin name of the plant must be written with italic letter.</p>	<p>Point 1. Essential oil has been isolated from Citrus peels and major work included in the research paper was on essential oil of peel so we have included the word essential oil in the title of the paper. Only proximate quality analysis has been done on peel powder. Highlighted in sub heading 2.4 Point 2. Voucher no. has been added to the text. Point 3. The word oil in conclusion has been deleted. Point 4. Spelling mistakes have been corrected and Latin names of the plant have been with italic letters.</p>
