PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments		
Optional/General comments	From my point of view, the topic treated by the author is of great importance. Besides, I think that, in general, the manuscript has a good structure and is well written. On the other hand, the results presented by the author could be used in many applications. Therefore, my recommendation is to publish.	Noted
