Type of the Article	

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	The author should add references to the first introduction paragraph! Section Field studies: The abbreviations are not explained (DAS) In the methods section which statistical analysis method was used for the study?? The discussion about ISR is too poor and should be enriched!!	
<b>Minor</b> REVISION comments	Some sentences are not clear as "found to be on par with seed treatment".  Some words are bonded please verify all the text.	
<b>Optional/General</b> comments
