SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The Paper is a nice attempt in terms of applied Methodology, and Contains Good and accurate Results and Tables with Data showing in Figures however there should be more up to date references cited in Text Part so that Paper Could be a much impressive. After this paper can be a good review Paper and minimized the risks and problems. Although this is an attempt to combine several aspects of environmental, biological, chemical, civil and mechanical engineering, but it only shows the design and size of the sewage treatment plant.	
<u>Minor</u> REVISION comments	Author should improve the English language of paper and check the grammatical mistakes	
<u>Optional/General</u> comments	Some updated result should be described in graphical mode , which will make it more impressive
