	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>The paper is written in according to the journal requirements. The purpose of the paper is accomplished. The results are well presented and interpreted. The results could be used as scientific support for other research. But the paper could require some corrections such as: The title reveals only Essential Oil but the analyses were made on Citrus <i>reticulata</i> peel also. Voucher no. for vegetal material must be written. In Conclusion ...From the above discussion it is concluded that Citrus <i>reticulata</i> peel oil is a good source of different phytochemicals having medicinal properties and various dietary nutrients such as fibers, sugars and proteins. There are some misspellings in the text. The Latin name of the plant must be written with italic letter.</p>
