PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Addition of methodology description in the review	Methodology section added to review
Minor REVISION comments	It seems no clear problem of the research from the abstract to the introduction and Grammar check	Clear problem of research added to abstract and introduction section: Agriculture in Zambia is considered to be vital for economic growth and poverty reduction, mostly focusing on rural areas rather than urban locations. Therefore, there is not sufficient knowledge on the impacts that urban agriculture brings to its urban populations. Regarding grammar check:-grammatical errors corrected
