

SDI Review Form 1.6

Journal Name:	Asian Journal of Advances in Agricultural Research
Manuscript Number:	Ms_AJAAR_39948
Title of the Manuscript:	Population abundance of the ectoparasitoid <i>Diglyphus isaea</i> Walker (Hymenoptera: Eulophidae) on the serpentine leaf miner <i>Liriomyza bryonia</i> . (Diptera: Agromyzidae) On some summer host plants in Ojilate region, Libya
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:
