PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Work done is good and inclined towards betterment of society. Overall writing is good and concept, methods and results are well explained. But, there are mistakes which I have underlined in the manuscript which must be corrected. There are spelling mistakes, mistakes while writing units to the values, like there should be space between number and unit. References need to be corrected specially the end part. Year somewhere written after journal name and somewhere after volume number. Journal name somewhere written in full form, somewhere short form is used, all journal names are not italics. So, please do correct these all mistakes.	
Minor REVISION comments	Check Tables, you have written variety name in the first column and then table headings. Table headings must on top followed by variety name, and then details for it.	
Optional/General comments	<u>NIL</u>	

PART 2:
