

**Editor's Comment:**

I am pleased to state that The Paper : Synthesis and Characterization of a Butenafine Analogue, can be published in your journal

Can be recommended for publication in your respectable journal.

Only one thing must be considered, table 4 should be revised for placing the formulae in the correct place

**Editor's Details:**

Dr. Yousry Moustafa Issa

Professor of Analytical Chemistry, Department of Chemistry, Faculty of Science, Cairo University, Egypt
