

SDI FINAL EVALUATION FORM 1.1

PART 1:

| | |
|--------------------------|---|
| Journal Name: | Asian Journal of Applied Chemistry Research |
| Manuscript Number: | Ms_AJACR_42287 |
| Title of the Manuscript: | PHYSICOCHEMICAL PROPERTIES OF ALCHORNEA CORDIFORLIA, CYPERUS ESCULENTUM AND IRVINGIA GABONENSIS SEED OILS AND THEIR APPLICATIONS |
| Type of Article: | Original Research Article |

PART 2:

| FINAL EVALUATOR'S comments on revised paper (if any) | Authors' response to final evaluator's comments |
|--|---|
| The author should complete several incomplete sentences used in the article for example, in line 104, 114, 122, 123 etc. the author used comments such as "described by [6]" without completing the statement, i.e stating who described such method before inserting the reference. | |

Reviewer Details:

| | |
