SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1-All grammar mistakes are corrected. 2-Parts that are written in pink show other corrections, such as repetitions and unnecessary pieces of information. They should be deleted. 3-Part 4.2: When Fig.1 is examined, NEPAD -CAADP's target of %6 per annum cannot be understood clearly. It is not possible to understand which country is at % 6 or at % 5. Even though Burkina Faso, Gambia and Guinea-Bissau are under even % 5, they are written as if they have reached %6 target. That mistake should be corrected. 4- New paragraphs are also shown with the pink colour. 5- The sentences that are marked with pink in the conclusion should be deleted since they are unnecessary details to be included in the conclusion. 6-Table 1 should be renamed. It should be "The effects of institutional reforms on Chinese Agricultural Growth" while Table 2 should be "The Agricultural Contribution of Top 10 Largest Economies in SSA to GDP".	
<u>Minor</u> REVISION comments	Red parts are the corrections and blue parts are to be deleted.	
<u>Optional/General</u> comments
