PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	A very practical research work. Please consider the following suggestion Line 59 the link between underweight and rural development is not clear Line 73 can you come clear the benchmark for measuring the success of the program initiated Line 92 the objectives appear to be too many to be achieved in one single research,, consider breaking them down for further research Line 93 personal characteristics may be too vague. if you can limit,, and put in a context Line 135 most of the items here can be push to the appendix	
<u>Optional/General</u> comments
