**PART 1: Review Comments**

|                                            | <b>Reviewer's comment</b>                                                                                                                                                                                                                                                                                          | <b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | <p>1. Change the title as I have suggested in the text.</p> <p>2. Make all the corrections and suggestions marked in the text.</p> <p>3. Include all the references as I have suggested in the text which give support to the study as I have gone through to these references during the review of the paper.</p> |                                                                                                                                                                                      |
| <b><u>Minor</u></b> REVISION comments      |                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                      |
| <b><u>Optional/General</u></b> comments    | The paper is interesting and acceptable after the inclusions of all the suggestions and corrections marked in the text.                                                                                                                                                                                            |                                                                                                                                                                                      |
