SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The authors must harmonized the citations and references styles. For example "Onyeike and Acheru, 2007" and "Okafor, and Fernandez, 2009" Title: Add the scientific name of the species with its authors name ABSTRACT 1st sentence: add the species authors name 2nd sentence: put ', ' between "circles" and "and" You must state the method, especially data collection methodology 3rd sentence: space needed after "notice." Something were missed in the setnce "Results ... processing." INTRODUCTION From "Agriculture ..." to "relished as a food (Onyeike and Acheru, 2007)." must be written in normal font, not in italic, except the species scientific name. Moreover add the author of the species. 3rd paragraph: change change 'Pentaclethra macrophylla' by "<i>P. macrophylla</i>". 5th paragraph: put "." at the end of the first sentence. 6th paragraph: the expression "... dearth of information ..." must be change. 7th paragraph: change 'Pentaclethra macrophylla' by "<i>P. macrophylla</i>". METHODOLOGY Change "The study area" by "Study area". It will be better if authors could add a map of the study area showing the localization of Enugu State in Nigeria and Nigeria in Africa. Authors must mentioned states bordering Enugu State. A brief description of the plant species is needed. Data Collection and analysis: delete "for the study". Change "," by	

SDI Review Form 1.6

	“.” Between “bean, Respondents”. No citation were mentioned in the methodology. Why? New methodology? Otherwise what kind of interview was used (Semi-structured, structured or non-structured)? By focus groups or individuals interview? RESULTS AND DISCUSSION Educational qualification: delete the last sentence. Methods of processing oil bean: the second sentence is so long. Conservation/domestication methods embarked upon by processors of oil bean seed: why the part “It is a fact that biodiversity ... (Khai and Yabe, 2015)” was put in bold. Please harmonized the paragraph. Review the last sentence of this part. The discussion must be reinforced using scholars. REFERENCE The reference style must be harmonized and conformed to the journal reference style. More than 3 reference styles were used. The references “Oboh M M. and Ekperigin J (2004)”, “Emebiri LC, Nwufo M and Obiefuna J C (1995)” were not cited in the text. In contrast the citations “Oboh, 2007”, “Emebiri, 1995” were not mentioned in the references.
