SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Abstract: It should be a summary of the main highlights of the paper from introduction to recommendations. Please do not make any citation in the abstract as you have done on line 8 and 9. 18: What is Azolla?, where is Cooch Behar district found - Country? 27: deserves to be in methodology section 30: you have not related Azolla production and adoption to that statement- unambiguous advantage in either effectiveness or cost-effectiveness are more easily..., it is same to the citations that follow after that. Please discuss how Azolla training and diffusion relate to those citations 68: what is ST, SC?- please define all other categories used in the study. 76: it would be interesting to tell the reader, proportional of land allotted to Azolla production and in case data is available, acreage farmers are planning to commit to azolla production in future. Results Overall: -Please explain the observed results -There is monotone in the presentation of results. Try varying the tone of write up	
Minor REVISION comments	If possible include a recommendation section	
Optional/General comments
