SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	The title is interesting and falls within the scope of the journal. However, the language needs to be generally improved. Relevant literature has been reviewed in the introduction but authors have mostly presented results without discussing them in light of information provided. This should be addressed before the manuscript could be recommended for publication. Authors are advised to check and see that reference listing is consistent and conform to the journal's format. Other comments in the test should be addressed.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
