PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	The manuscript is very good and can be published as it is. I believe the subject is very important from the academic point of view. The problems pointed out by the authors are common in other places, like Brazil. Anyway, as a foreigner reader, I suggest to the authors to insert a map of the study area.	
<u>Optional/General</u> comments
