SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	*The paper is presenting a very relevant issue for the Thai population. In view of the depletion of fishery resources in the ocean, the development of aquaculture is very important. *The methodology is well selected and applied. The characterization of the producers is well done and useful for the design of government support policies. * The problems existing today in the extension services are well specified, and useful recommendations are provided.	
<u>Minor</u> REVISION comments	A final revision of the text by native English speaker is recommended.	
<u>Optional/General</u> comments
