SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The bibliography is quite brief and updated. Article seems rather a presentation of a historian and not an act of research itself.	
<u>Minor</u> REVISION comments	The bibliography is quite brief and updated.	
<u>Optional/General</u> comments	The bibliography is quite brief and updated. Article seems rather a presentation of a historian and not an act of research itself. I propose accepting the article, but to be updated bibliography and be presented as an article with comparisons with other similar works.
