**PART 1: Review Comments**

|                                            | <b>Reviewer's comment</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | <b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | <p>This study used a model of Borich Needs Assessment. However, information about the model is not mention yet. Therefore, it needs to clearly stated what is about.</p> <p>There is a mistake in writing the source of citation (Line 42). Bennett, C.F, (1989) should be deleted and then replaced with Nurul Huda (2015).</p> <p>Spacing between paragraph need to be considered, such as in Lines as follows :<br/>21, 39-40, 42, 43-44, 50-51, 75-77, 87-89, 224-225, 231-232, 248-249, 267-268, 307-308, ....., 370-371, 395, 428-429, 458-459, 478-479, 479-480 ..... etc</p> <p>Give space between words, such as in Line 290, ..... etc. There are many of this kind.</p> <p>Table breaking should be avoided, such as in Lines, 288, 316, 359-360, 479.</p> <p>Reference writing need to be considered, especially giving space for one to another, for example in lines 564-565....etc. Besides, it needs to write them consistently.</p> <p>Typo, such as in line 89,.....etc</p> |                                                                                                                                                                                      |
| <b><u>Minor</u></b> REVISION comments      | Need to pay attention for grammatical errors in some paragraf.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                      |
