SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	Authors have assessed the productivity of small-scale maize-cowpea farmers in South-Western Nigeria. Estimates of the Stochastic Frontier Translog Production Function results showed that the coefficients of labour, agrochemicals, farm size and seed had significant effect on the technical efficiency of maize-cowpea farmers in the study area. Authors are required to add / amend followings: Page 3, line 92: RESEARCH METHODOLOGY <i>Suggested to be changed / amended as:</i> METHODOLOGY Conclusion: <i>Suggested to be re-written point wise.</i> Authors have to read entire article carefully and try to improve the text linguistically.	
<u>Optional/General</u> comments	Study is interesting & should be properly structured as suggested above.
