PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The introduction is too long with too many issues. It should be divided into two separating the literature review lumped in the introduction.	The length of the introduction has been reduced and we have separated the literature review from it. Addition section for literature review was created to accommodate the reviewer's comment.
Minor REVISION comments	There are other minor errors pointed out in the tracked manuscript attached.	All the minor issues such statement restructuring among others have been duly attended to.
Optional/General comments
