SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1. The abstract should be a summary of the entire research and its findings, headings should be removed in the abstract. 2. Literature reviewed, aims/objectives, justification and statement of the problem should be embedded under introduction as a single heading, but not to be mentioned as a separate headings.	1. We have removed the headings. 2. All the subheadings have been embedded under introduction.
<u>Minor</u> REVISION comments	1. All sub heading under Materials and methods can be removed and embedded under a single heading. 2. There is need to recast some of the sentences in the result and discussion to make good expression, eg. It was found that a high proportion of sunflower growers 44.60 percent <u>of the farmers</u> had primary level of education. The under lined words should be removed.	1. We have removed the sub heading. 2. Sentence recasting was done where it was necessary.
<u>Optional/General</u> comments	Where possible, all sentences written in present tense can be converted to past tense.	Tried to convert sentences into past tense.
