SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	Interesting topic, could attire international reader. The research method can be stronger with deeper analysis but the author can say that it is an exploratory research and will continue with further researches.	Thanks a lot Sir/Madame for your valuable suggestion. I will be taking in to consideration all the suggestions who have made in my next article. Since it was pilot study and due to time constraints I couldn't go for deeper analysis. But I gave you my assurance that in my next article I will be incorporating every possible things as suggested by you.
<u>Minor</u> REVISION comments	In the statement part of the problem no1. Mostly <u>used</u> by....	I have rearranged the statement. Thanks a lot for your valuable suggestion.
<u>Optional/General</u> comments
