**PART 1: Review Comments**

|                                            | Reviewer's comment                                                                                                                                                                                                                                                                                                                                                                                              | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | <ul style="list-style-type: none"> <li>The paper is covering a very important topic for small farmers in India.</li> <li>Integrated farming is very recommendable pathway for sustainable development and food security in small farms of developing countries.</li> <li>The methodology is well selected and applied.</li> <li>The conclusions are consistent and could be used by decision makers.</li> </ul> | Thank you for your valuable suggestion to boost the value of my papers. The suggestion given by you is very accurate and acceptable.                                          |
| <b><u>Minor</u></b> REVISION comments      | Check grammar (mainly in conclusions).                                                                                                                                                                                                                                                                                                                                                                          | Accepted your suggestions and will be rectified in the revised copy.                                                                                                          |
| <b><u>Optional/General</u></b> comments    |                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                               |
