**PART 1: Review Comments**

|                                            | <b>Reviewer's comment</b>                                                                                              | <b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | Authors' must re-work the article. They should check necessary corrections and enact the changes accordingly.          |                                                                                                                                                                                      |
| <b><u>Minor</u></b> REVISION comments      | The slight mistakes in the work must be dealt with systematically.                                                     |                                                                                                                                                                                      |
| <b><u>Optional/General</u></b> comments    | The work is good. The original author(s) must find time to do necessary amendments and read through the work correctly |                                                                                                                                                                                      |
