PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	The study is well organised and conducted in a scientific way. The methodology is presented well. But the results and discussion section is not so strong, I have suggested some edits in attached Pdf file. If the authors have more data, they can present in this MS.	
Optional/General comments
