Compulsory REVISION comments		
Minor REVISION comments		
Optional/General comments	The rural women have been most disadvantaged because of male dominated society. They have all the potentials but lack the support and a movement of their own. Unions of women founded through cooperatives provide with significant advantages to empower women in all the spheres of life. The entrepreneurship and leadership characteristics of women in rural areas must be supported in various ways. Some of them can be training, funding, bureaucratic facilities and awarding .The results show that the cooperative has been effective in terms of the Introduction of the village, social dynamism and the integrity in the village.
