**PART 1: Review Comments**

|                                            | <b>Reviewer's comment</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | <b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | <ul style="list-style-type: none"> <li>Title needs improvement.</li> <li>Rephrase first sentence of the abstract. It should include rationale, methods of sample selection and data collection, important results and 1 to 2 conclusions and recommendations.</li> <li>Squeeze the research methodology portion by deleting the unnecessary explanation.</li> <li>Results and Discussion portion is very much confusing. Make it simple and also compare the results with other studies.</li> <li>Give proper format to the tables.</li> <li>Also write proper discussion.</li> <li>Recommendations portion is missing.</li> <li>Write the references in the style of AJAEES.</li> </ul>                          |                                                                                                                                                                                      |
| <b><u>Minor</u></b> REVISION comments      | <ul style="list-style-type: none"> <li>Line 6: Space between province and towards.</li> <li>Line 10: Rephrase sentence.</li> <li>Line 14-17: Sentence is confusing, make it sample and break into two sentences.</li> <li>Line 19: Space between study and was; 165 and employees.</li> <li>Line 27: Space between extension and and.</li> <li>Line 30: It should be Agriculture rather than agricultural.</li> <li>Line 33: First letter of Assess must be small.</li> <li>Line 47: Reference is too old.</li> <li>Line 50: Space between Agricultural extension. And also correct the remaining.</li> <li>Line 147: It should be Results and Discussion.</li> <li>Line 182: 3?</li> <li>Line 262: 5?</li> </ul> |                                                                                                                                                                                      |
| <b><u>Optional/General</u></b> comments    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                      |
