

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Asian Journal of Agricultural Extension, Economics & Sociology
Manuscript Number:	Ms_AJAEES_36663
Title of the Manuscript:	Pre extension demonstration and evaluation of hip pump in western Oromia, Ethiopia
Type of Article:	Short Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
Few modifications are done and highlighted with yellow in Abstract, Introduction, Materials and Methods, Results and Discussion. (Attached File: 2.Revised-ms_AJAEES_36663_v1_A) <u>Some points are still in need to be obvious:</u> 1- What is the capacity or the discharge of each pump? 2- What is the size of the farm (even examples)? 3- What is the time period (length) for the study? 4- For the reference, www.iwmi.egi-ar.org/publications/working papers, What are the reviewed working papers? 5- For all references with web sites, what are the dates of visits? 6- Not all references are assigned through the text of the paper. (Why did the author cite the reference?) 7- Conclusion Item is preferred to be "Conclusion and Recommendation", and it needs to be rewritten correctly and with no abbreviations. 8- Revision for grammar.
