PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	I consider that the introduction is very poor and does not reflect the objective of the study on which it was based, in addition it is not stable the importance of the thermal efficiency that is the basic stage of the article and requires a little more bibliography	I have added some additional points in the introduction that reflects the objective of the study. Some more references have been added.
Minor REVISION comments	ANY	
Optional/General comments	ANY
