New Title of the Manuscript:	Profitability and Viability Analysis of Aquaculture production in Central Uganda: A case of Urban and Peri-Urban Areas
Type of the Article	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
Find attached a final revised copy of the paper in question for the Author's action before publication. Once the editions and queries are answered, you can go ahead without returning to me for my final words Please, note that the current lapses are so important and must be addressed before publication Thanks and best of luck to the Author. The paper is very rich and added so much value to me	All the currency values have been changed into Ugandan shillings All quarries on seed, fish price in shillings, Changes have been made on the operation cost section, major challenges and the discussion and the comment made on the level of education have been modified as suggested by the reviewer.
