	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	What is the justification for the selection of Oyo and Osun State from the six states that made up the southwestern zone of Nigeria. Osun state was created from the old Oyo state both are similar in climate and vegetation.	Oyo and Osun State were purposively selected because there abound a vast expanse of cashew plantations in the LGA's selected from the states. Thereby providing an ample number of respondents for the survey. However, the study was limited to two states owing to resource and time constraint.
