PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Thank you for the opportunity to review the manuscript entitled “Diversified Utilization of potato, and marketing constraint faced by farm women in potato production” and submitted to Asian Journal of Agricultural Extension, Economics & Sociology. - The subject is of high interest, but, the used literature is outdated. The paper lack referencing, particularly in the Introduction and the Discussion sections. These sections are not supported by any source. - This manuscript has not a scientific discussion section; the authors must discuss the results and compare with other new and relevant references. - Check the tables numbering. - The text needs thorough language editing. - The references cited at the end of the manuscript are missing in the text.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
