

Editor's Comment:

PFA the revised MS. On the whole the article is excellently written. Few grammatical and spelling mistakes had been corrected in this attached file. Those corrections had been either indicated in red or scored off. Please change the font color and delete the scored off words at final proof reading stage.

Article can be accepted as such for publication

Editor's Details:

Dr. T. Selvamuthukumaran

Assistant Professor, Department of Entomology, Faculty of Agriculture, Annamalai University, Tamil Nadu, India
