

Editorial comments:

There are still a few corrections not yet done.

These are;

- In line 59, Plaised and Peterson [9] must be **Plaisted**.
- In line 36, “Most of Grain.....” must be “Most of grain.....”
- In Table 6, reviewer “ Wat” suggestion about highlight of some values has not been done.
- Also, reviewer “ Wat” suggestion another suggestion about circle each line in the Figures has not been done.
