

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

Journal Name:	<a href="#">Asian Journal of Agricultural and Horticultural Research</a>
Manuscript Number:	<b>Ms_AJHR_43462</b>
Title of the Manuscript:	<b>Field studies on supper parasitism of the larval pupal endoparasitiod Opuis pallipes on the tomato leaf miner Liriomyza bryoniae and the serpentine leaf miner Liriomyza trifolii in Libya</b>
Type of Article:	<b>Original Research Article</b>

**PART 2:**

<b>FINAL EVALUATOR'S comments on revised paper (if any)</b>	<b>Authors' response to final evaluator's comments</b>
<p>Parasitological names should be fully and properly italized eg <b>Opuis pallipes</b>. The italization should include Opuis and not only pallipes.</p> <p>Fig 3 still appears after discussion. Should be placed appropriately</p> <p>Journal names seem to have confused the author as there was a tendency to italicize almost every line in the ref section. This should be corrected</p>
