PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Manuscript ID: Ms_AJAHR_45484</p> <p>The manuscript titled 'Growth and Yield Benefit of Cabbage as Influenced by Nutrients and Leaf Plucking' reports about the growth, yield and economic return of cabbage under different treatments such as application of different Nitrogen doses and leaf plucking. Current study will improve the understanding of cabbage growing community regarding their production and effect of different doses of Nitrogen fertilizers and leave plucking process in a very important vegetable crop used for human diet. However, the manuscript still needs improvement and could be accepted for publication after the incorporation of below suggestion and comments:</p> <p>There are numerous grammatical and technical mistakes throughout the manuscript. Therefore, authors should check and correct the whole manuscript accordingly. All the changes, suggestions and comments are given in the form of track changes in word file.</p> <p>Best regards,</p>	
Minor REVISION comments	As above	
Optional/General comments	As above
