PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The author does not interact with scholars, i feel there is a need to draw from the pool of already existing scholars that have contributed immensely in the area of this study, Considering the global nature of your journal, readers need to know the gap in the studies (Empirical studies)	We will look into this. Thank you
<u>Minor</u> REVISION comments	Great article, but I suggest the Author need to adhere strictly to journal format	Thank you for your comment. We really do appreciate.
<u>Optional/General</u> comments	Even though the article is concerned about National integration and the Challenge of Boko Haram Insurgency in Nigeria the way forward, the author made general comments, but I suggest the author needs to also consider NGOS, community leaders, religious organization need to monitored, particularly the extremist as this will enhanced national integration.	I will talk to my colleagues and we will work of your suggestions, if necessary.
