SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments		
Optional/General comments	<p>Accepted</p> <p>Please, make the following changes:</p> <ol style="list-style-type: none"> Line 108: Please, change Inoculum with inoculum. Line 113: Please, change Inoculum with inoculum. I think that before the word while in the text lines 181, 185 etc. like this, must be a comma (,). Lines 176-179, please if possible make a better wording. Line 201: This Line is blank. Please, delete it. There is a greater space than that of other lines of the text between Line 210 and Line 211. Please, format it. Figure 3: To the horizontal axis of the Figure 3 in my opinion you can put a title like 'Components'. Figure 4: To the horizontal axis of the Figure 4 please, change the title 'Mineral content' with the title 'Minerals'. Table 1: In the sub-header of this Table please, change: Line 241:by yeasts from palm wine, values with the same <i>Please, change to:</i> by yeasts from palm wine. Values with the same Line 242: have no significant.....level of significance. . Bread products... <i>Please, change to:</i> have no significant.....level of significance. Bread products... Line 243: Control bread products respectively while D₁-F₁ are test bread products <i>Please, change to:</i> control bread products, while D₁-F₁ are test bread products. Line 255: have no significantlevel of significance. Bread products... <i>Please, change to:</i> have no significantlevel of significance. Bread products... Line 256: bread products respectively while D₂-F₂ are test bread products <i>Please, change to:</i> bread products, while D₂-F₂ are test bread products. Lines 260-261: Please, format the space between these two lines. Line 271: difference...of significance. Bread products...bread <i>Please, change to:</i> difference...of significance. Bread products...bread Line 272: products respectively while D₁-F₁ and D₂-F₂ are test bread products respectively. <i>Please, change to:</i> products, while D₁-F₁ and D₂-F₂ are test bread products. 	<ol style="list-style-type: none"> Correction effected Correction effected Correction effected Correction effected Line deleted Line formatted Correction effected Correction effected Correction effected Line changed Line changed Line formatted Changes effected Changes effected Correction effected Changes effected Thanks for the suggestion, correction effected
