

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Asian Journal of Dental Sciences
Manuscript Number:	Ms_AJDS_45136
Title of the Manuscript:	ESTHETIC CONSIDERATIONS WHEN RESTORING SINGLE MAXILLARY CENTRAL INCISOR
Type of Article:	Case study

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
References 9,10,13 need to be formatted since they have missed out on volume, pages etc. As a general rule that is followed in most journals, the phrase et al has to be used in case of authors numbering more than 6. The six authors names followed by et al must be typed. In case of authors up to 6, all authors names must be written	<ul style="list-style-type: none">- As recommended, all references were checked and revised in accordance with the rules of the journal.
