SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	Include following references: Leachability of phosphorus in soils after application of burned and unburned poultry litter. International Journal of Physical Sciences 7(5)(2012) 834–840. Leachability of nitrate from sandy soil using waste amendments. Communication in Soil Science and Plant Analysis. DOI: 10.1080/00103624.2013.867046 Leaching and mobility of heavy metals after burned and unburned poultry litter application to sandy and masa soils. Bulgarian Journal of Agriculture Science. 18(5) (2012) 733–741.	Two out of the three references suggested by the reviewer has been included in the manuscript except the second reference which is on nitrate and not phosphorus of which my manuscript centres on.
<u>Optional/General</u> comments
