**PART 1: Review Comments**

|                                     | Reviewer's comment                                                                                                                                                 | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Compulsory</b> REVISION comments |                                                                                                                                                                    |                                                                                                                                                                               |
| <b>Minor</b> REVISION comments      | I have only minor suggestions as including on my pdf markup of the manuscript. Please see attached.                                                                |                                                                                                                                                                               |
| <b>Optional/General</b> comments    | This is generally a well written, easy to follow, review of the use of Jackbeans in agriculture feed. It is interesting and should be useful to other researchers. |                                                                                                                                                                               |
