SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The manuscript is interesting and well written, however there were several missing references as well some the sentence are too long to understand. In addition need some more discussions how the soil physical and chemical varies in different clusters. I will suggest to include some discussions regarding the management of those clusters. For details please follow the annotated PDF file attached with this email. The paper could be published after the incorporation of these comments.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
