

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	American Journal of Experimental Agriculture
Manuscript Number:	2014_AJEA_13561
Title of the Manuscript:	The Use of a Protein Enhanced Surfactant to Increase Yield of Alfalfa
Type of the Article	Short Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
- Add Keywords to the abstract - Introduction is still too long. It should be shortened. - Follow-up the guideline for author. - Improve the quality of chat 1.	Added keywords to abstract Significantly edited extraneous statements from introduction and incorporated pertinent information to discussion and conclusion Reviewed guidelines and made corrections to fit information listed here: Changed citation format, made corrections to math format, added necessary sections, changed format to match requirements, corrected chart/table labels, Quality of chart 1 might have been attributed to formatting transfers. Format in article sent back had been morphed from original. Changed shadow lines to add greater clarity. The entire document could be highlighted in yellow to mark changes.
