SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, corrects the manuscript and highlights that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The article may be revised to suit for short communication as per prescribed format of the journal	It is anticipated that manuscript is published as full length paper.
<u>Minor</u> REVISION comments	-----	
<u>Optional/General</u> comments	The article is routine type of work and well in the set format of materials & methods, interpretation result and discussion. Try to include latest references.	The work presented in the manuscript is the first under the typical agroclimatic conditions in Kashmir valley. That way the results yielded are novel.
